NSF CERTIFICATION

APPLICATION FORM (TMV2)

THERMOSTATIC MIXING VALVE SCHEME TYPE 2 APPROVALS

Organisation	
Contact Name	
Product Name	
Testing Number	
NSF Certification Number	

APPLICATION FOR CERTIFICATION

Please ensure that the relevant Sections of the Application Form are completed *IN FULL* prior to submission of any test samples.

Completed application forms should be submitted to the Account Management Team via email or posted to the address below.

IMPORTANT

Please use a separate Application Form for each generic type product range.

All work undertaken is subject to NSF Wales Terms and Conditions.

An application for certification comprises:

- A completed Application Form
- Completed Schedule of Materials
- Itemised Schematics
- Installation Manuals

If extra space for any section of this form is required, please attach an extra sheet clearly indicating the name of the applicant, product name, section and page number to which it refers.

Please note that estimate costings can be provided, but may be subject to change upon receipt of the application.

If you require assistance completing your Application Form or have any queries, please contact Paul Taylor (Certification Director) at ptaylor@nsf.org or the Account Management Team via the following:

Email: ptaylor@nsf.org

ALL SECTIONS MUST BE COMPLETED

PIGGYBACK APPROVAL? YES/NO - if yes, State original approval number:

PRODUCT INFORMATION

1.	<u>Name and Address of Applicant</u>
2.	<u>Name and Address of Manufacturer of product, if different from above</u>
3.	<u>Invoice address (Provide purchase order number if applicable), if this section is not completed the invoice will be sent to the address indicated in Section 1 above, any re-invoicing will be charged at the NSF rate.</u>
4.	<u>Details of individual responsible for the approval of product(s) (i.e. contact for technical queries) please include telephone and email address.</u> Name: Email: Telephone number:

5. **List valves requiring TMV2 approval; include comments for clarification for the approval.**

Please include current BC/NSF certificate numbers and WRAS approval numbers if applicable. (**Note:** include sufficient information to ensure that the product variations within a range can be identified), attach separate sheet if required.

6. The Scheme requires that all NSF members have in place and continue to maintain an ISO 9001 quality system that ensures that the manufactured product is of a consistent quality and that all subsequent operations have no detrimental effect. Applicants can demonstrate compliance by supplying the Scheme with a copy of a valid ISO 9001 certificate and scope of accreditation. Where this cannot be supplied a quality audit will be conducted by the scheme to verify compliance with the requirements of the Scheme.

A 'Primary Factor' is a company/individual who does not manufacture the valve but distributes a certified valve under their own trade name, the product having only cosmetic changes.

A 'Secondary Factor' is a company/individual who does not manufacture the valve, but distributes an already certified valve under his own trade name. The valve having cosmetic changes and material changes that may affect the valves performance (e.g. the addition of isolation valves, etc. not present in the original application made by the manufacturer).

Tick the box(es) as appropriate, if the companies have an ISO 9001 certified quality system.

Manufacturer of product: Factor:

(Note: If ISO 9001 certification has not been indicated then NSF will need to undertake a Quality Audit of the manufacturing and or distribution facilities).

This application is from: **(tick as appropriate)**

A Manufacturer:

A Primary Factor:

A Secondary Factor:

Details of original Certificate:

Details of original Certificate:

7. **DECLARATION** - Factors only: Is the valve supplied by your company identical to the already approved Thermostatic mixing valve (excluding identification) which includes all inlet variations? If no, supply details of variants.

YES/NO

8.	The valves referred to in Section 5 of this application are in production?	YES/NO
9.	<p>Ensure the following documents are attached to this application. (Tick the boxes to indicate the documents are attached).</p> <p>(a) General Assembly Drawings <input type="checkbox"/></p> <p>(b) Brochures <input type="checkbox"/></p> <p>(c) Certificates, NSF/WRAS <input type="checkbox"/></p> <p>(d) Installation Manual <input type="checkbox"/></p> <p>(e) ISO 9001 Certificate <input type="checkbox"/></p> <p>For Electronic Installation and Maintenance Documents</p> <p>The Scheme requests details of the web link if the Installation and Maintenance document is to be made available electronically. Please provide web link below:</p> <p>.....</p>	
10.	<p><u>Tick the appropriate box to indicate which standard the valve is to be certified against, indicating the generic type of valve. For tee type valves you may tick multiple boxes as appropriate.</u></p> <p>BS EN 1111 <input type="checkbox"/> Economy use: <input type="text" value="YES/NO"/></p> <p>BS EN 1287 <input type="checkbox"/></p> <p>Valve type: Bidet <input type="checkbox"/> Shower <input type="checkbox"/> Washbasin <input type="checkbox"/></p> <p>Tub/Bath <input type="checkbox"/> Temp override facility <input type="checkbox"/></p>	
11.	<p><u>Marks of identification to be found on the valve, include method of marking .i.e. stamped, laser etched etc.</u></p>	
12.	<p><u>Declare on the attached schedule of materials all the components used in the valve(s), including details of the manufacturers of non-metallic materials and components.</u></p>	

13.	<u>Additional comments, where applicable</u>
14.	<u>Name of the laboratory you intend to use for testing activities. (Note : The laboratory must be registered with NSF. Details of the registered laboratories are available on the NSF website).</u>

I have read and I understand and accept the instructions, terms and conditions and fees set out in Form TMV1 and the NSF Wales Terms and Conditions.
