

NSF Cosmetics and
Personal Care Program

Your Partner in Quality and Safety THROUGHOUT THE PRODUCT LIFE CYCLE

The NSF Cosmetics and Personal Care Program addresses the needs raised by new and emerging legislation, retailer-prohibited chemical lists, manufacturing-related quality issues and consumer safety concerns.

Our role is help ensure the safety, quality and regulatory compliance of cosmetic and personal care manufacturing facilities, ingredients and products throughout the entire lifecycle. Our goal is to provide manufacturers, brand owners and retailers superior quality assurance and brand protection.
