

# 2010 WALTER F. SNYDER AWARD

## The Award

The Walter F. Snyder Award for Achievement in Attaining Environmental Quality is presented annually by the National Environmental Health Association and NSF International.

**I am pleased to nominate the following candidate for the 2010  
Walter F. Snyder Award and to provide background  
information for your consideration.**

## Nomination Procedures

This official nomination form is all that you need. In order to be considered, it must be completed, including all pertinent information about the candidate's qualifications for the award.

## General Instructions

For consideration of your nomination, please follow the instructions below:

- Nominations must be typed.
- Selection will be based on information contained in the nomination only.
- Include facts and figures. Be as specific as possible.
- Include as much information about the candidate as possible. Remember, achievements you consider obvious may not be obvious to the selection committee. If you wish, letters of recommendation may be included.
- The jury for this award includes a industry, regulatory, and consumer representative along with a NEHA representative and NSF International representative.
